DEDICATED TO KARL H. ESCHMAN

In Appreciation of 25 Years Spent in Furthering Denison Music

Service deserves recognition and it is in this light that we dedicate the 1939 Adytum to Karl Eschman. This year closes his twenty-fifth year as a member of the Denison faculty and in that time he has served not only the college but the community as well.

In the fall of 1905 a lad, still clad in knee britches and similar youthful togs, enrolled in Doane Academy. His name was Karl Eschman and his age fourteen.

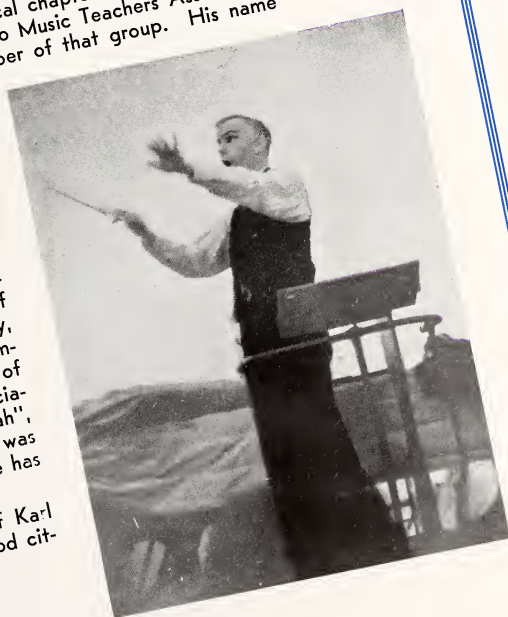

This was in the fall and in the following spring the lad was a member of the Glee Club and traveled with them as their accompanist. His extra-curricular activities centered around the literary societies and the Glee Club to which interests he now attributes his abilities to work with and direct groups of people.

Karl Eschman was an organist for a church at the age of twelve and since that time his study and diligence have brought him the status of an Associate and later a Fellow of the American Guild of Organists. His musical study has progressed from the first lesson with his piano teacher to courses at Harvard and Berlin. As a result of his attainments, Ohio State and Northwestern University have bid for his services along with Denison as a Professor of Music. His summers since 1929 have consequently been spent with these institutions.

Honors, civic and scholastic as well as musical, are frequently associated with the name of Karl Eschman. A member of Phi Beta Kappa, he now heads the local chapter of that honorary. He has been president of the Ohio Music Teachers Association and is at present an active member of that group. His name will be found among others in the field in "Who's Who in Education".

Mr. Eschman has headed the Denison musical activities since 1913 when he was appointed to the position of Director of the Conservatory of Music. In that time he has directed the musical activities of the college and the community, serving as head of the committee of music and patron of the Granville Festival Association. The last "Messiah", given at Christmas time, was the twenty-third which he has conducted.

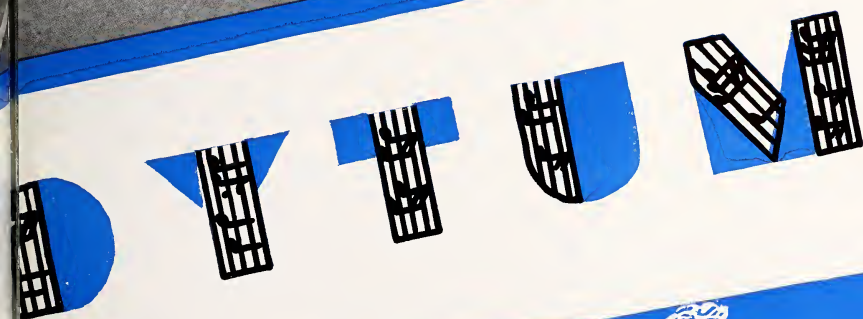

This is the history of Karl Eschman, professor, good citizen, and friend.

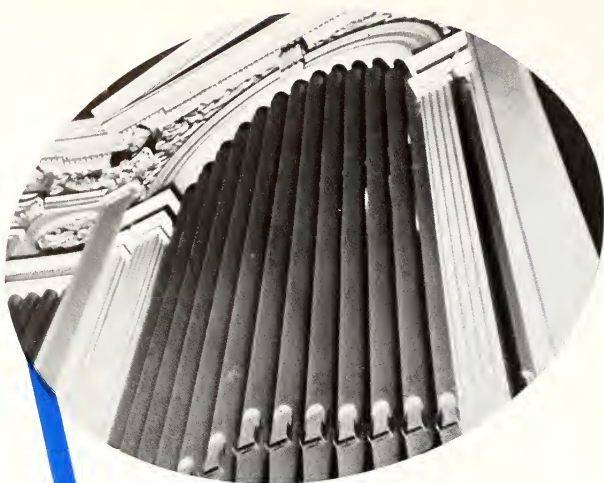

THE JUNIOR CLASS OF
1940 PRESENTS TO THE
STUDENTS, FACULTY, AND
FRIENDS OF DENISON UNIVERSITY...

The 

P R E S E N T A T I O N

In presenting once more to the students of Denison, their Adytum, we believe that we have achieved not merely a pictorial transcription of an epoch in our history, one schoolyear, but, uniquely, have reflected, through the medium of music, the student life of a century.

During her 108 years of existence, Denison has produced words and music that seem destined to perpetuate her cherished traditions and identify Denison as a school where song shall always enjoy an integral position in campus life.

Thus, as we write another chapter into the annals of our Alma Mater we endeavor to imbue in you an appreciation of the melodies and sentiments left us by Denisonians of another day.

Faced with such a vast store of musical treasures it has been our aim to make selections representative of Denison's musical wealth.

TO DENISON

Vinton Ernest Field, a member of Beta Theta Pi in the class of 1903, gave Denison students and Alumni their Alma Mater To Denison. Phi Beta Kappa claimed this son of Denison, who also found time to edit the Denisonian two years. Today he maintains his place in American business as head of the Field Advertising Service.

TO DENISON

To Denison, we raise our song,
Fair College on the hill,
The name that sets our souls on fire
And makes our senses thrill;
To Denison, my Denison,
In praise our voices swell,
The scene of happy college days,
The home we love so well.

O morning glow which gilds the east
O sun which shines at noon,
O stars which bloom at eventide,
O radiant, glowing moon,
Look from thy pathless azure dome,
Shed blessings from above,
On college halls and college walls,
The Denison we love.

When from the fold we far shall stray,
With souls forever young
We'll ne'er forget our college days,
These happy scenes among;
And when our steps have feeble grown,
Our journey almost done,
E'en then with fleeting breath we'll praise
Our dear old Denison.

Avery A. Shaw, A. M., D. D., L. L. D., D. C. L.

As he neared the completion of his twelfth year as President of Denison University, during which time he has more than fulfilled his duties as the head of an educational institution, Dr. Avery A. Shaw startled the campus this spring with the announcement of his desire to retire into private life in June of 1940.

The announcement was received with a note of sadness on the part of present and past Denisonians who have come to know and to enjoy the sincere warmth and hospitality characteristic of the Shaw Home.

Inspiring in his relations with students, Dr. Shaw embodies all the traits of a good Christian, standing for those principles which make college boys good men. Again the Adytum takes pleasure in saluting Dr. Shaw, gentleman, scholar, and friend.

Dean Helen Olney, B.Sc., M.A., has served Denison University as Dean of Women for the past nine years. In that time she attempted to make her office a place of friendly counsel and advice as well as the disciplinary agency for the women. The aims of the office of the Dean of Women are to create in every way possible a situation in which Denison women can develop their potentialities along all lines.

Dean of Women Helen Olney and . .

Dean of Men C. F. Richards

The office of Dean Cyril F. Richards is another one of those welcoming spots on the Denison campus. Coming here with the determination that he should know every man in school as well as possible, Dean Richards has made excellent strides along that line. In the year just passed he held interviews with the men in school in an effort to assist them along lines of vocational guidance. The general attitude of men on the campus is that in "Richard's office you meet a man who treats you as a man."

To Whom It May Concern:

The official control of Denison University rests with the Board of Trustees. By provision of the charter, the Board consists of thirty-six members in addition to the president of the university who is member exofficio. In the care of its endowment funds, the Board, through its Committee on Finance and "Investments, employs the Cleveland Trust Company as its financial advisor and trustee of funds.

A majority of the Board must be residents of the state of Ohio but there are members also from Indiana, Illinois, Pennsylvania, New York, Massachusetts, and Virginia.

About two-thirds of the Board are graduates of the university, three of whom are women. Six members are elected by the Society of the Alumni, two each year for a period of three years. The alumni members are: V. E. Fields, Indianapolis; H. C. Phillips, Cleveland; E. J. Barney, Dayton; William F. Chamberlain, New York; Kirtley F. Mather, Boston; Harriet Hunt Richards, Columbus. David E. Green, class of 1901, has been chairman of the Board since 1933.

Denison Board of Trustees

During the past year the Board has lost two members by death. Miss Prudence Sherwin of Cleveland, who was the first woman trustee, and Harry C. Royal, Cleveland who, for ten years was the Chairman of the Committee on Finance and Investments.

The campus of Denison, founded in 1854 by the purchase of 27 acres on the top of the hill, has been added to by purchases and gifts until now the campus proper contains 230 acres, 130 acres to east of North street has been purchased for further development. The gifts of Col. Edward A. Deeds in 1917 of more than two-thirds of the present campus was notable and has made possible the development of one of the finest college campuses in America.

The most notable financial contribution during the year has been the bequest of Charles F. Burke, which by his will was given to establish the Captain Orville Burke and Jennie Glennu Burke Fund in memory of his father and mother. This amounts to approximately \$87,000 and is in addition to the \$73,923.81 which was received as life insurance at the time of his death.

The Board has met the great need for additional dormitories for women by the erection of Shaw Hall which will be ready for occupancy with the coming school year. An additional unit in the permanent heating system will be added during the coming summer by laying steam mains to the eastern section of the upper campus with additional boiler capacity to make possible the erection of future buildings. This will be added at an expense of some \$40,000.

Very truly yours,

MILLARD BRELSFORD,
Secy. of Board of Trustees,
Denison University.

May Day Rebellion of 1938

REVOLUTION AND REBELLION! It was May Day and the spirit of rebellion crept into Granville catching every Senior. John Dunnick was at the root of it all and the Class of '38 followed eagerly.

This last surge of frivolity before they entered the practical world has been a slumbering tradition until last year when it was secretly planned and victoriously carried out.

The pictures, taken in front of the Grille, show Denison on a play day after a violent revolt in which Seniors left classes, sweeping everything before them, and the underclassmen were so gladly washed out with the tide.

• A Tune-full Tale

There she sat SIMPLE AND SWEET, until the boys arrived.

FROM NOW ON things began to look up and being in Granville

There was nothing to do but GET OUT OF TOWN.....

Wait, Gate there's someone left behind. She WANTS HER SHARE OF LOVE, too, oh well

Surely THIS CAN'T BE LOVE

And suddenly our hero is face to face with TEMPTATION...

Simply UNDECIDED is our hero

But L'il heroine decides its time to CHANGE PARTNERS and do something besides dance

But head once more rules heart and the beautiful vampire is left FEELING KINDA LONESOME.....

The boys beginning to think MOST GENTLEMEN DON'T LIKE LOVE are

Suddenly faced with the realization that THERE'S SOMETHING ABOUT AN OLD LOVE and so the happy ending

IT'S YOURS—ALL YOURS HEAVEN CAN WAIT!

OUR DENISON

We gather in thy pleasant halls,
Denison, our Denison,
While o'er the hills the twilight falls,
Denison, our Denison.

Chorus

Now raise the chorus loud and free,
Now join each voice the melody;
For here we pledge our hearts to thee,
Denison, our Denison.

We sing the joys of college days,
Denison, our Denison,
Of pleasure's paths and wisdom's ways,
Denison, our Denison.

Chorus

We think of summer evenings fair,
Denison, our Denison,
Of sparkling eyes and waving hair,
Denison, our Denison.

Chorus

And tho' the years their changes bring,
Denison, our Denison,
Round thee our brightest mem'ries cling,
Denison, our Denison.

Now raise the chorus loud and free,
Now join each voice the melody;
For here we pledge our hearts to thee,
Denison, our Denison.

OUR DENISON

Edgar J. Goodspeed, A.B., D.B., Ph.D., one of Denison's oldest alumni, class of 1890, set his poem "Our Denison" to the tune of "Maryland My Maryland," thus giving Denisonians another song, of which they may be justly proud. Dr. Goodspeed attained the Phi Beta Kappa

peak during his undergraduate days. Now with 16 books over his name, and many contributions to the *Atlantic Monthly*, Dr. Goodspeed is recognized as the leading New Testament authority in the country. He is chairman of the New Testament Department at the University of Chicago.

Omicron Delta Kappa

Omicron Delta Kappa is the senior men's honorary whose purpose is to recognize the contributions of Denison men along the lines of activities, athletics, Masquers, etc.

It now has twenty-one members, faculty and students combined, and is led by George Sims, president, Allan McNeill, vice-president, Lionel Crocker, secretary, and Don Smith, treasurer.

The aim of Omicron Delta Kappa best displays its value to Denison life. Its aim is to promote a better faculty-student understanding in the calculation and interpretation of the student viewpoint.

Mortar Board

The highest award Denison can give senior women outstanding in scholarship, leadership, and service is Mortar Board. Formerly Cap and Gown, this chapter became a member of the National Mortar Board in the spring of 1936.

This year, Mortar Board instituted a tutoring bureau and gave their second scholarship dinner for sophomore and junior women excelling in scholasticism. Among other activities, the organization sponsored with Y. W. C. A. the Dad's Day banquet for all women students and their dads. Arrangements for the Homecoming dance were made in cooperation with Omicron Delta Kappa.

Officers for the past year were Helen Ellor, president; Evelyn Rope, vice-president; Ida Jeanne Dagger, secretary; Jean Yoder, treasurer, and Dorothy Frazier, editor. Mrs. Shaw, Miss Olney, Miss Spacht, Miss Barr, Biss Badenoch, and Miss English acted as advisers.

Sue Palmer

Women's Student Government Association

Women's Student Government Association is the self-governing organization for the women of the Denison campus. Including in its membership every woman in school, the group, headed by a council of fourteen of its members, establishes the rules pertaining to the women and has its own judicial body to enforce those rules.

In almost every major function of the campus life, Women's Student Government Association plays some vital part. This past year the May Day celebration, the Big Sister program, the women's Freshman Camp, and the joint sponsorship with Men's Student Government of Scrap Day are a few of the major activities which received the backing of this organization. The latest undertaking is the co-operative sponsorship of the new Student Senate plan.

The officers for the year were Sue Palmer, president; Jean Gregg, vice-president; Ida Jeanne Dagger, chairman of judiciary; Constance Winchester, chairman of board of house presidents; Betty Sherwood, secretary and Jeanne de Beauclair, treasurer; who with Betty Klemm, Barbara Eschman, Betty Stewart, Eleanor Shumaker, Betty Ellis, Ruth Jennings, and Mildred Green constituted the executive council.

Tom Orme

Men's Student Government Association

Another austere, auspicious, authoritative aggregation on the Denison campus is the Men's Student Government Association. Piloted by Tom Orme, with Don Smith serving as vice-president, Marvin Walker as secretary, and George Sims, as treasurer, the group was once again one of the powerful organizations whose decisions determine Denison policies.

In the scope of activities are included the running off of class elections, presentation of the football banquet, and the management of Scrap Day. An activity this year was the sponsoring of a series of vocational guidance programs in men's chapels. In these meetings men were brought from the business world to tell in a first-hand manner what the chances of success were in the various fields and what training would be needed to get into those fields.

Cooperation with Dean Richards is the by-word and it is heartily and mutually practiced. As a result of the unity of these two factors which govern Denison men, the students are about to be offered a new plan of student government centering around a student senate.

Interfraternity Council

Our instigative, initiative, Interfraternity Council has completed one of its most successful and productive years of its existence. Guided by Vern Bowman, president, Patrick Vincent, vice-president, Clement McNamara, secretary, and John Reed as treasurer, the group mapped out such matters as the fraternity purchasing cooperative, the housing situation and the subsequent plans for a new men's dormitory, and the establishment of a universal initiation date.

Its purpose is to further the interest of the fraternities on the campus and to promote the general welfare of the university. In all relations among the Interfraternity Council members and between the Council and the school, the keynote is cooperation. The new dinner permission for women at fraternity houses testifies to the nature and quality of the work of this group.

Plans for the remainder of the year include the creation of a new set of rushing rules whose nature and restrictions will make rushing more beneficial to both the fraternities and the new men.

Pan-Hellenic Council

A masterful, managerial machine, Pan-Hellenic Council makes possible the successful existence of women's fraternities at Denison. Headed by Carol Griffith, its president, Pan-Hellenic Council has as its aims the maintenance of cooperative relations among the sororities and the enforcement and revision of rules of rushing.

The group is composed of three delegates from each sorority giving a total representation of twenty-four members. That the Pan-Hellenic Council is important in campus life is indicated by its sponsorship of the Sub-Frosh Pan-Hellenic Teas, the Freshman Pan-Hellenic Teas in the fall, and the Pan-Hellenic Informals, given at the first of the second semester.

Officers for the current term were Carol Griffith, president; Jeanne Shaffer, vice-president; Gloria Mathews, secretary, and Jeanne Bahr, treasurer.

Blue Key

Deluged with dashing and debonaire dignitaries, Blue Key deliberates bi-weekly the problems determining Denison's destiny. Acting primarily as a service organization, Blue Key includes in its services such activities as the Homecoming program, the election of the Homecoming Queen, the promotion of the Dad's Day week-end, and Sub-Freshman Day as well as the maintenance of a tour conducting service for visitors to the Denison campus.

The membership of Blue Key includes two men from each fraternity, one man being tapped each year at the end of his Sophomore year. Faculty members of the group include Dr. Deweerd, Dr. Titus, and Mr. Horace King. Officers for the current year are Stan Condit, president; Minard Patrick, vice-president; Vern Bowman, secretary, and Ed Filkins, treasurer.

Combining clever, cocky, cooperation, Crossed Keys began its activities at a formal banquet and initiation at the Inn last May. This is an organization electing from the sophomore class those girls who display particular leadership in their first two years.

Members acted as marshals at the May Day exercises as their first campus activity of the year. They also made a daisy-chain for the senior class day exercises. A breakfast at the Tri-Delt house for the members of the preceding class started the fall semester.

Crossed Keys plans to buy a cup to be awarded to the sorority having the best Homecoming decorations as Blue Key awards a cup for the best fraternity decorations. In order to earn money to get the cup, the group sponsored a benefit movie and sold coca-colas and ice cream bars at a basketball game.

Officers this year were Jeanne de Beauclair, president; Jeanne Shaffer, secretary; Elnora Wheeler, treasurer, and Betty Cowman, Gloria Matthews, social chairmen.

Crossed Keys, under the direction of Mrs. A. Roden, meets every second Thursday for an informal supper at various sorority houses.

Elizabeth Way

Guiding genial geniuses governing Y. W. C. A. this year were Elizabeth Way and Betty Tumbleson. Uniting with their cabinet to realize a full and creative life through a growing knowledge of God has been their aim.

Y. W. C. A.'s program has been as active and varied as it has in the past. The Mother-Daughter banquet on Mother's Day was the first event on the schedule. Following this banquet, came the one sponsored in cooperation with Mortar Board for fathers on Father's Day. Y. W. C. A. promoted Interfaith Day on which a Gentile, a Catholic, and a Jew spoke during chapel.

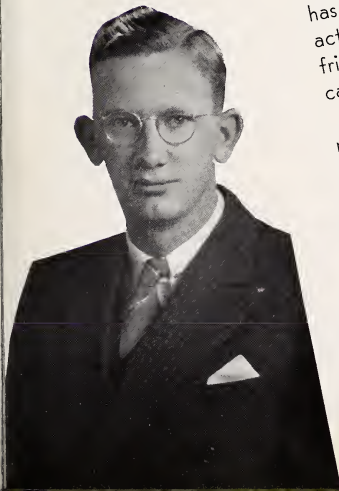

The Christmas Bazaar, successfully held each year, has almost become a tradition. On Valentine's Day, a Heart Sister banquet was given after a week of activity. Heart Sister week was also Religious Emphasis week in which Y. W. C. A. took an active part.

Mrs. Johnson, Mrs. Roden, Mrs. Morris, and Mrs. Kellog have advised Y. W. C. A. whose accomplishments have maintained its fine reputation.

The Y. M. C. A. is a new organization on the campus this year. Replacing its predecessor, Men's Student Christian Association, the "Y" has merely changed its nature in that it has broadened its scope of activities. The aims are similar, however, namely the promotion of friendly relations and Christian ideals among the men on the Denison campus.

George Sims presides over the group whose number of members now nears one hundred and twenty-five, while Stan Condit is vice-president, Willard Kibby, secretary, and Taylor Mackelfresh, treasurer.

Plans for the future include the establishment of some form of vocational guidance program to be carried on in a series of meetings.

George Sims

What might have been just another Commencement Day at Denison resolved itself into a memorable occasion in the history of our school, when, Henry Ford, manufacturer of "Model T's" and Lincolns, and noted financier, paid Denison an unexpected and unheralded visit. The graduation of his niece, Betty Bryant, occasioned the presence of this national figure, now referred to by many students as "Uncle Henry."

In the accompanying pictures, Dr. L. R. Dean is shown leading the academic procession down the chapel walk in (1). Mr. Ford and Mr. and Mrs. Bryant, parents of Betty, are shown ascending the steps of Swasey Chapel in (2). (3) and (8) provided two more glimpses of the graduating class diploma bound. (4) finds Mr. Ford emerging from his car with his body guard. In (5) President Shaw was caught by the camera in the company of Esther Josephine Crooks, Homer Adkins, and Roy Deer, all of whom were awarded honorary degrees at last year's commencement exercises. Dean of Men, C. F. Richards, couldn't escape the camera's eye in (6). "Now you tell one Doctor," as Mr. Ford and Prexy get together at the president's reception following the exercises, recorded by the lens in (7).

Denison Band.

Another one of those indispensable groups is the Denison University marching band. Its purpose is, of course, to furnish the stimulus to our loyalty and Denison spirit.

Led this year by a new drum major, Bernard Bailey, the Big Red Band took on new life and showed the results of the leader's military school training as it assumed a lustre of military alertness and accuracy unknown to the band in recent years.

The size of the marching band has increased again this year and now totals about forty-two members. Some of the members received their athletic department awards for service in the band. Merton Barlow, John Brant, Bill Hite, S. Jewett, V. Logerquist, F. B. Molen, D. Wait, and W. Price were among those who were honored.

The band put on several drives for funds this year and as a result there will be more uniforms and more men in next year's band.

The genteel gentlemen gadabouts of choral concert fame have once again fulfilled their duty as Denison's goodwill envoy.

At the home concert in April, which concluded the 50th season of the Glee Club, the club completed another year of successful concert engagements.

Directed by Karl Eschman with Albert Hage acting as manager and Stanton Condit as student director, the club this year adopted a newer repertoire of which Thompson's "Tarantilla" is indicative. This piece denotes life in the present Spanish civil war.

There were three trips this year: the first was to Dayton between semesters, the second was to Norwalk on March 14, and the big trip was the spring vacation trip to Cleveland, Buffalo, and New York city where the men of the club attended the fair.

The usual situation has occurred. The Glee Club toured, the Glee Club sang, and Denison has some new friends.

Men's Glee Club

Characterized by competent choral collaboration, the Women's Glee Club concluded their thirty-third successful season under the direction of Dr. King Kellog. This year marked the fifth in which concert touring was part of the schedule. The two trips undertaken were in March and April. Cincinnati, Portsmouth, and Washington Court House, Ohio, were included in the first trip, while the second trip was taken in the East. Sunday night concerts have been given in Alexandria, Newark, and Columbus.

The Glee Club's home concert was April 19, in Recital Hall. Besides singing occasionally for chapel and vesper services, the club sang for each of the Granville churches. According to the audiences, the Pan-Hellenic Serenade, recently revised by Merton Barlow, is the favorite composition.

Members of the octet were Ruth Jennings, Jane Lederer, Phyllis Huffman, Madeleine Rupp, Ruth Geil, Carolyn Bowman, Mary Barr, and Rosemary Forsyth. Vocal soloists were Phyllis Huffman and Ruth Jennings, while Rebecca Wingert and Jane Bond were piano soloists.

The club's officers were Celianna Isley, manager; Priscilla Westcott, assistant manager; Ruth Jennings, student director; Rebecca Wingert, secretary-treasurer, and Barbara Eschman, librarian.

Women's Glee Club

Chapel Choir

The chanting chapel choristers, newly organized each fall under the direction of Dr. King Kellog, has had another successful year. Its forty members chosen from the men's and women's glee clubs provide music for the regular chapel services and vesper services.

The choir's one out of town engagement may become a precedent for a traveling organization in the future.

This year, the choir has sought to do almost all a cappella music. Merton Barlow has been active as student director, and soloists have been Ruth Jennings, Phyllis Huffman, Agnes Goodwin, Jean Adams, Jack Hurley, John Crites, and Bill Hite.

Symphony Orchestra

The symphony orchestra of Denison University is truly a service organization. Throughout the year it rehearses unnoticed until suddenly it appears in all its artistic fullness to give body and musical strength to a concert of the "Messiah" or an operetta.

Composed of faculty and students who are drawn to the organization by their mutual love of music, the orchestra now numbers about seventy-five members. Karl Eschman, head of the Conservatory of Music, directs the group and Sam Gelfer is the concert-master.

Fostering feminine fraternal fellowship and cultivating individual musicianship is the aim of Delta Omicron. This honorary was founded at the Cincinnati Conservatory of Music in 1909 and the Denison chapter was begun in 1915.

The officers for the past year were Kay Wolfe, president; Barbara Eschman, vice-president; Mary Jane Townsley, secretary; Rebecca Galloway, treasurer; Dorothy Burnham, social chairman, and Dorothy Lindaman, historian. Six members were added during the current school year.

Under the direction of Karl Eschman and the auspices of the Granville Festival Association, Delta Omicron and Phi Mu Alpha presented the "Czar and the Czimmerman" in March. Ruth Jennings and Phyllis Huffman sang the feminine leads.

This group has contributed to many of the programs and recitals on the Denison campus and has members in all the leading musical organizations. In cooperation with Phi Mu Alpha, Delta Omicron gave a reception for the Roth String Quartet following their concert here in November. In the fall the two groups also gave their annual reception to which the students and faculty members connected with the Conservatory were invited.

Faculty members of the group are Mrs. A. A. Shaw, Mrs. A. W. Lindsey, and Miss Sue Haury.

Twenty-seven years ago a small band of musicians gathered together at Denison University and pledged to bind themselves together in fraternal ties as well as the dominant link of love of music. The purpose of this little band was to foster fellowship and to promote musical prowess among the individual members.

Today that group, Phi Mu Alpha, flourishes as a tribute to those founders. The group, collaborating with Delta Omicron furnishes much of the talent used in the productions of the conservatory. Officers for the present year include Robert Wright, president; Bill Hite, vice-president; John Moore, secretary; Harry Townsley, treasurer, and Don Purvis, historian.

Presenting

"THE CZAR AND THE CARPENTER"

Selecting, this year, Lortzing's "The Czar and the Carpenter," for their vehicle, Phi Mu Alpha and Delta Omicron scored a decisive hit in their operatic venture, annually a high spot in Denison's spring extra curricular program, March 21, 22, and 23.

Bolstered by the men's glee club and the Denison orchestra, Dr. King Kellogg, Steve Minton, and Tom Gregg, Ruth Jennings, and Phyllis Huffman found their mark with the audience the first night when the Opera House resounded vociferously in acclaiming their antics in the ship yard of Zardam.

Much of the credit for the successful production must be awarded Prof. Karl Eschman, who not only translated the entire work from the German, but assumed the complete responsibility of costuming and directing.

Pi Delta Epsilon

Proving the predominant prowess of prompted pens, Pi Delta Epsilon provides the Denison campus with a host of newspaper men, literary geni, and publication business men.

The part which Pi Delt plays in campus life is that it controls and maintains the highest possible standards of journalism for Denison publications. Editors of the campus journals are chosen from among the members of Pi Delta Epsilon and thus its guiding hand is always felt.

Color and fun enters into Pi Delt's scope in the sponsoring of the bridge tournament and the presentation of Penman's Prom. This year's leaders of Pi Delta Epsilon include Don Smith, president; Albert Hage, vice-president; Helen Bowyer, secretary, and George Bisbee, treasurer.

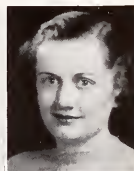

Faculty members are Mr. Mahood, Dr. Whidden, Dr. Deweerd, Dr. Russell Williams, and Mr. Clark Morrow.

The Adytum

Although preceded by a host of artistically assembled volumes, the Class of 1940 feels no hesitation in presenting their Adytum for your acceptance and approval. Edited by a staff including members of the three lower classes, the 1940 Adytum is a tribute to Karl Eschman and Denison musical attainments.

Jim McCollum and John Lindstrom filled the key positions of Editor and Business Manager respectively. The Adytum is the culmination of their hopes, efforts, and worries.

Assisting Jim as Associate Editors were Helen McCoy and Jack Venning. The panels, the mounting, and the endless proof-reading constitute only a few of the vital contributions of "Mac" and "Chief" without whose efforts this book would have been impossible.

The musical theme was executed by David Mitchell's efforts. Ralph Scarritt furnished the impetus to the organization editing while Dick Paxton and John Brant took the numerous student photos which fill these plentiful pages.

As to the general staff, those un-heralded many who do the essential, time-consuming details, there is not time nor room to adequately recognize their individual contributions. The keynote of the staff relationships was cooperation, the goal was efficiency . . . you are the judges of their success.

With its appreciated apt and affluent eighty-second year of publication, the Denisonian entered with unusual and active interest into campus problems and student affairs. Although reforms were not always instigated by editorial opinion, controversy was aroused and student opinion molded.

Outstanding among campus affairs attacked by the paper was the advocacy for a change in the registration set-up to provide for more rapid and more efficient service. Through its columns the paper also brought about a unification of chapel programs to separate religious from non-religious.

Other issues considered editorially included men's and women's rushing, consideration of a dormitory for freshman men, and various items regarding administrative policies of the university.

The Denisonian continued the school of journalism for staff candidates inaugurated in 1938. Selection of reporters was based on interest and ability as determined in the course.

The outstanding factor introduced on the paper was the development of a new front page layout and a change from 8 point to 10 point type. Variety in layout and wide use of art work helped to attract and maintain reader interest.

The success of this publication is due in no small way to Marvin Walker, editor-in-chief, and his competent associates, Jane Bartholomew and Jim McCollum. The advertising and circulation departments owe their efficient management to Norman Hough, advertising manager, and Taylor Mackelfresh, circulation manager.

The short stories of Chester Varney, the poetry of Bill West, and the drawings of Dave Mitchell are perhaps the most significant contributions.

Associate editors aiding Harry Sweitzer are Don Smith and Don Bethune. Jack Fulcher is the business manager. Faculty editors are Miss Shannon, Mr. Mahood, and Dr. King.

Chemistry Society

Frequent founding of fantastic formulas coupled with enlightening excursions into correlated fields of chemistry constitute the major part of the program of the Denison Chemistry Society. This organization has as its purpose the stimulation of a wholesome interest in the sciences among those students who have shown an aptitude for the study of chemistry.

Under the leadership of President Minard Patrick, Vice-president Paul Gilbert, and Secretary-treasurer Frank Molen, the club meets on alternate Tuesday evenings in Chemistry Cottage.

Subjects of the programs range from bituminous coal to toothpaste, which wide variety results in a more widespread knowledge and enthusiasm for the potentialities of chemical research.

Faculty members include Dr. Ebaugh, Dr. Everhart, and Professor Odebrecht.

Engineering Society

Deemed the dapper dad of departmentals, the Engineering Society was founded in 1904. Physics and Engineering majors constitute the club's membership which now numbers about thirty.

Closely correlating the practical and more advanced side of the two fields with the classroom work, the departments are able through the programs of the society to greatly enlarge the scope of engineering and scientific principles.

The meetings this year featured talks by men from aeronautical schools, city engineers, and road builders as well as talks by the Denison faculty members. Dr. Smith, Mr. Howe, Dr. Ades, and Mr. Ladner are the faculty members of the group of which John Brant is president, Carl Stiner, vice-president, Paul Welch, secretary, and Robert Smith, treasurer.

Denison Cameracraft

Though a Denison Camera Club failed to function as such this year student camera artists did not curtail their efforts to record Denisoniana through the medium of lens and shutter.

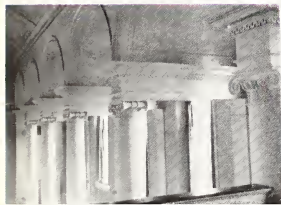

On this page we selected seven camera studies contributed by student photographers. They are the cream of the pictorial crop that responded to the Adytum's call for pictures last fall.

Eloquently enlightened extempore speech and dauntless, defiant debate mark the characteristic qualities and abilities of the members of Tau Kappa Alpha, forensic honor society. The purpose of the organization is to afford recognition to those people who deserve merit because of their work in debate or other speech activity.

Betty Ellis, Helen Evans, Karl Klomann, and John Shively are the newest additions to the roll of this group of which Richard Cosway is the head and which Elizabeth Way serves as secretary.

The part which Tau Kappa Alpha plays in Denison campus life is that it in general supports in every possible way the promotion of public speaking enterprises. In accordance with such a policy Tau Kappa Alpha sponsored a debate tournament here which brought teams from all over the state of Ohio to compete.

Dr. Crocker is the adviser and also is editor of Tau Kappa Alpha's national magazine, "The Speaker".

Franco-Calliopean

Famous flourishing Franco Calliopean, lofty literary society, is the oldest English honorary on the campus. For the second year, it has cooperated with Pi Delta Epsilon to make "Portfolio" a success.

Late in the year, the members began the study of literature of the southeastern United States in the present day.

Heading Franco Calliopean are Barbara Nichols, president; Don Smith, vice-president; Kate Hopkins, secretary. New members were admitted in May. Miss McNeill, Miss Shannon, Dr. Whidden, and Dr. King are the club's advisers.

Men's Debate

Cosway, Dr. Lionel G. Crocker, Beier, Podorean, Marshall, Shively.

Armed with an accumulation of authentic arguments, Denison's varsity debate team completed another successful year of forensic grappling.

The question for the year's campaign was, Resolved: That the United States should cease using public funds (including credit) to stimulate business. Denison took issue with the logic of such schools as Davidson, Carnegie Tech, and Capital university, and climaxed its competitive efforts at Manchester, Indiana, where a national collegiate debate tournament was held. Wallace Ault, Dean Beier, Hugh Chittenden, Edwin Cooper, Richard Cosway, Norman Hough, Karl Kroman, John Shively, Don Smith, and Robert Vick made up the group from which contestants were chosen.

In addition to the competitive program, the Department of Speech initiated a freshman debate team coached by Richard Cosway.

An analysis of debating cannot be made without recognition of the work of Dr. Lionel Crocker whose efforts and encouragement are behind the story of Denison's forensic success.

Women's Debate

Rope, Ellis, Evans, Nebel, Way, Forsythe.

Demonstrating a deftly devised defense of democratic doctrines, Denison's Women's debate team defied the economic and political problems of the day.

Betty Ellis, Helen Evans, Rosemary Forsyth, Marjorie Rope, and Elizabeth Way represented Denison in competition with Ohio university, Ohio Wesleyan, Capital, Wittenberg, Albion, and others, from which encounters they returned with a creditable record.

The women traveled extensively this year, attended the convention of Tau Kappa Alpha, national women's speech honorary, at Cincinnati, and toured Michigan on a debate trip during which they competed with several schools. Dr. Lionel Crocker is the faculty sponsor and director.

Periodically persistently pursuing the purposes of El Circulo, Castellano, Spanish students receive further opportunity to use the language and to learn more than purely academic knowledge concerning Spain and Spanish speaking countries.

Officers this year were Doris Jean Flory, president; Bob Macomber, vice-president; Jane Martin, secretary; Lenore Bryson, treasurer; and Sue LeRow, social chairman. Seven new members were initiated March 7, to make a total enrollment of fifteen.

The Spanish club meets every other Tuesday night at 7:00 under the direction of Dr. Amner and Mr. Wiley.

FRONT ROW: Varney, Kiehm, Bryson, Dr. Amner.
BACK ROW: LeRow, Martin, Scott.

Spanish Club

Particularly persuasive is the pithy purpose of Eta Sigma Phi which is to promote interest and intellectual development in classical languages. The Zeta chapter of this national honorary was founded at Denison in 1926. Regular meetings occur twice a month.

Officers for the past two semesters were: Macille Mowry, president, Betty Barlow, vice-president, Esther Price, secretary, Virginia Jones, corresponding secretary, Richard Cosway, treasurer, and Betty Sherwood, program chairman.

Two new members were initiated in April, making the roll now number fifteen. Honorary members include Mrs. L. R. Dean, and Miss Helen Sher-riff, Martins Ferry High School. Miss Marie Lein and Dr. Dean are faculty advisers.

Masquers

Five finished and marvelously magnificent Masquers productions have been presented this year under the leadership of Mr. Edward A. Wright.

Melodramatic "East Lynne" began the season last fall. It was followed by "Cradle Song." Then came "The Bishop Misbehaves." The freshmen presented "Stage Door," in April. Thirty-two girls were cast. Shakespeare's merry "The Taming of the Shrew" concluded Masquers' productions.

A group known as the University Players was established with fifteen charter members.

To give recognition to those students in the various phases of theater work and to offer practical experiences is the aim of Masquers. Membership is restricted to juniors and seniors from which four were tapped recently.

Officers for the first semester of school were Jacqueline Jones, president; Bill Coffman, vice-president; Ed Filkins, treasurer; Barbara Nichols, secretary. Second semester officers chosen were Barbara Nichols, president; Don Bethune, vice-president; Bob Clark, treasurer; Stanton Condit, secretary.

Dr. Lionel Crocker and Mr. Edward Wright advises this organization.

WAR CRY

"Tomtoms," though wobbling in infancy when considered with some of Denison's older songs, was composed, both words and music, by Mrs. Willem Willeke (Sarah Lou Howland), class of 1928. Sigma Delta Phi. A member of Delta Omicron her last three years at

Denison, serving that organization as president in her senior year and a member of the Shepardson Glee Club all of her four years in school, Mrs. Willeke displayed her competency by wearing the Key of Phi Beta Kappa.

WAR CRY

Tom-toms announce the battle,
Forth from the wigwam the warriors come,
They seek the scalp locks of many men.
Wearing their war paint crimson,
*E-E-E—A-Ah—E-E-E—Ah (shouted)

Chorus

Here comes the Big Red—here comes the Big Red,
They are the men from Denison,
With colors flaunted, and hearts undaunted
Until the day is won.
Onward, onward, see how they go
Crashing, dashing forward straight through the foe.
Hi, Big Red, we're with you, Big Red.
We're here to cheer for Denison. Fight. (shouted)

Football Season

Completing its fourth season under the tutelage of Coach Tom Rogers, Denison's 1938 Big Red football team, annexed seven victories in a nine game schedule.

Though shorn of the mythical state championship laurels it won the year before, last fall's Big Red compiled its best offensive and defensive records in many seasons, scoring 204 points itself and limiting all opposition to but 36 tallies.

C. A. "Tim" Temerario, formerly an assistant coach at Indiana university, was introduced into the Denison picture as line coach at the beginning of the campaign, and a stalwart forward wall that held opponents to an average of only four points per game denotes his success.

Field leaders of the Big Red were Co-captains Lou Pettit and Tom Orme, each of whom completed his third season in Big Red livery.

Eight other Denison seniors finished their inter-collegiate gridiron careers along with Orme and Pettit. They were: Jack Tamblin and Ralph Boggs, backs, and Pat Vincent, Harry Duffy, Vilah Brooks, Bob Banning, Joe Cavagrotti and Art Janssen from the line.

Pettit, Captain-elect, Monroe Snider, and Jim Schulte were named to the All-Ohio Conference eleven.

DENISON 34—DEFIANCE 0

The Big Red inaugurated its 1938 season by slaughtering the Defiance college Yellow Jackets 34 to 0 in a night game.

Functioning in midseason form, the Big Red completely routed the Yellow Jackets after driving to one score in the first five minutes of play.

Orme, Pettit, Giffin, Tamblin and Snider all scored touchdowns for the Big Red, which chalked up 16 first downs and gained over 350 yards from scrimmage.

Defiance was able to penetrate into Denison territory only once, and then for only one play. The Yellow Jackets made only two first downs and were credited with a net gain from scrimmage of but five yards.

DENISON 34—KENYON 0

Winning their second straight 34 to 0 decision, the Big Red walloped Kenyon college in its first Ohio Conference game of the year.

With two Denison teams performing with almost equal success, the Big Red scored in every quarter against the bewildered Lords. Orme, Giffin, Burkhardt, Boggs and McCartney each crossed the goal line for the Baptists.

All but one of the Denison touchdowns were the direct result of sustained drives, and the additional score came from Burkhardt's recovery of a blocked punt after another long advance had shoved the Lords back into the shadow of the goal posts.

DENISON 0—WOOSTER 10

Dropping a 10 to 0 battle at Wooster, Denison had its hopes for an undefeated season spoiled by the Scots for the second successive year.

A combination of its own mechanical and mental errors with the ability of the Scots to take advantage of every opportunity cost the Big Red the game.

Wooster did all its scoring in the second quarter, a field goal early in the period and a long touchdown pass accounting for the winner's ten points.

After muffing one earlier chance, the Big Red registered a first down on the three-yard line in the last quarter, but failed to score in four plays.

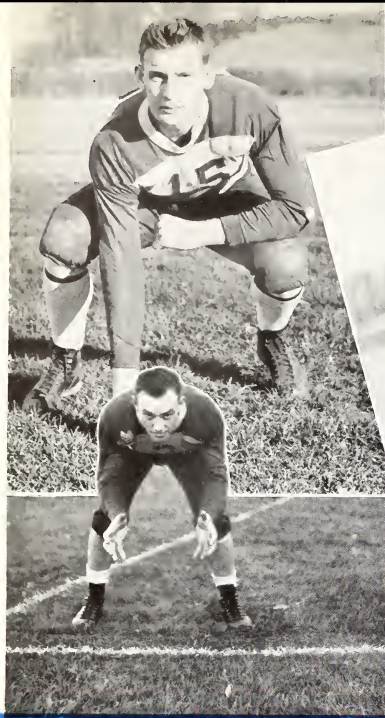

DENISON 34—MARIETTA 0

Before a large homecoming crowd, the Big Red returned to form to trounce Marietta. The victory was Denison's third of the season by the identical 34-0 tally.

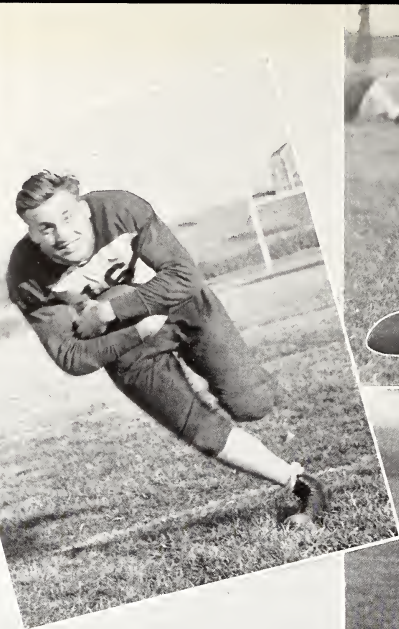

Undaunted by the absence of two regular linemen, the Big Red rolled up 18 first downs to Marietta's two and netted 295 yards from scrimmage while holding the pioneers to 67.

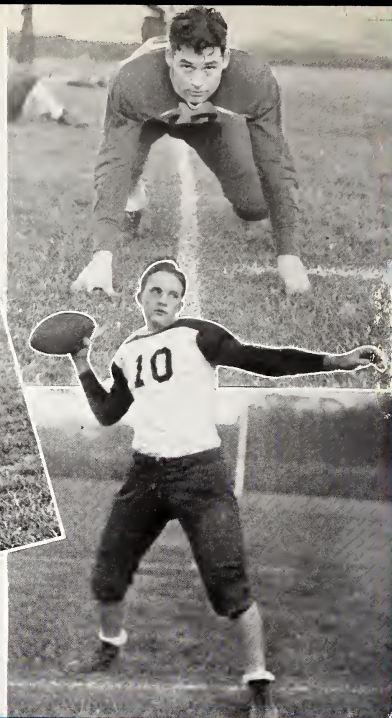

Front Row: C. A. Temerario, Line Coach; Vincent, Duffy, Tamblin, Cavagrotti, Orme, Pettit, Barran, Hickson, Brooks, Wallar, T. A. Rogers, Head Coach.
Second Row: W. J. Livingston, Athletic Director; Danning, Crawford, Riddell, C. Boggs, Price, Geneser, Janssen, Giffin, Thomas, LeRoy, Snider.

With Pettit, Burkhart, Tamblyn, Orme and Price breaking into the scoring column, the Denison machine assaulted the Marietta goal line both on the ground and through the air.

The Pioneers, completely outplayed, never threatened to score against the Big Red powerhouse.

DENISON 25—MUSKINGUM 0

Scoring four times in the second half after two scoreless periods, the Big Red crushed Muskingum college 25 to 0.

Denison drove inside the ten-yard line four times in the first half but failed to score. Twice fumbles on the two-yard line cost possession of the ball and twice more the Muskies held for downs.

The Big Red smashed over two touchdowns in the third quarter, however, and another pair in the fourth with Pettit, Tamblyn, LeRoy and McCartney scoring.

A 57-yard run by Tamblyn, a 42-yard jaunt by Boggs, and a 35-yard scoring sprint by McCartney featured the Big Red attack.

DENISON 19—DETROIT TECH 0

Pushing over three touchdowns in the final quarter, Denison's gridders broke up a scoreless ball game and defeated Detroit Tech 19 to 0.

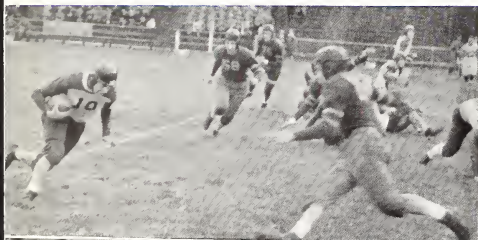

For three periods the Big Red fought with their backs to the wall, withstanding four dynamic threats and once holding for downs on the one-foot line.

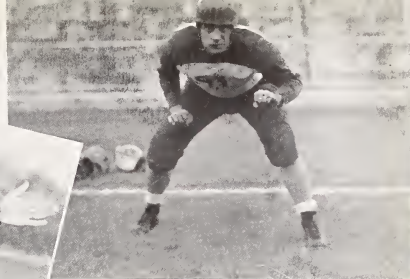

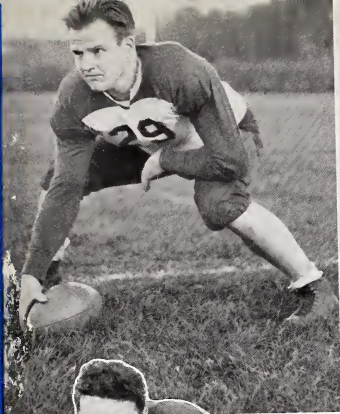

A pass interception on his own goal line by LeRoy and an 85-yard march gave the Big Red its first touchdown, and another interception and a recovery of a bad pass from center set the stage for succeeding Denison scores.

Burkhart scored twice and Center Schulte once on a 35-yard return of an intercepted pass.

DENISON 0—WITTENBERG 13

With two men out of the lineup and five others seriously handicapped by injuries, the Big Red suffered

its second defeat in the form of a 13 to 0 upset at the hands of Wittenberg.

Snider, star end, who was lost for the season just prior to the Detroit Tech game, and Giffin, triple-threat back, were out of uniform.

The Big Red compiled a clear advantage in the statistics of the contest, but failed to capitalize on three advances within the enemy 25-yard line while the Lutherans scored on the only pair of thrusts they made all afternoon.

DENISON 33—OBERLIN 6

The Big Red captured a Dad's Day decision from the Oberlin Yeomen by a 33 to 6 count.

The Yeomen drew first blood in the first quarter when they advanced 81 yards for a touchdown in three plays after an early Denison threat had failed.

From that time on, however, the Big Red completely dominated the play, and with Burkhardt scoring three touchdowns and Orme and Vincent one each the Baptists easily outdistanced the opposition.

Orme's touchdown came on a spectacular 42-yard run in the fourth quarter. Forward passes accounted for Vincent's score and two of Burkhardt's.

DENISON 25—HEIDELBERG 7

Before a handful of fans that braved a steady rain, the Big Red brought its schedule to a close by drubbing Heidelberg 25 to 7.

Denison scored on the fourth play of the game and counted twice more in the second stanza and again in the third. Pettit crossed the goal line twice, Tambllyn tallied once on a 60-yard jaunt that was the Big Red's longest run of the year, and Boggs added the fourth six-pointer.

The lone Heidelberg score occurred in the final 30 seconds of play when Sharrock, Student Prince full-back, ran 93-yards after intercepting a pass.

1939 Basketball

Handicapped throughout the season by injuries and bad luck, the 1938-39 Denison basketball team finished its campaign with a record of five victories and ten defeats. A six game losing streak after the Big Red had opened the year with two wins, was the turning point of the season.

Eleven Big Red performers were awarded letters at the close of the season. Of this number four, Clem McNamara, Al McNeill, John Myer and Jack Tamblyn, were seniors.

McNeill was elected honorary captain for the year, and Joe Gordon, junior guard, was selected as captain for 1939-40.

DENISON 36, KENYON 32

Rallying to overcome a 32 to 29 Kenyon lead in the last two minutes of play, the Big Red opened its season by defeating the Lords 36 to 32 at the Wigwam.

McNeill and McNamara scored nine and eight points respectively for Denison.

DENISON 30, OTTERBEIN 27

Staving off a late Otterbein threat, Denison returned from Christmas vacation to win its second straight decision, 30 to 27, over the Otters.

Eight points by Gordon and six by McNamara led Denison to victory.

WOOSTER 49, DENISON 40

Held scoreless in the last seven minutes of play after dominating the contest most of the way, the Big Red lost its first game of the year 49-40 to Wooster.

Leading Denison scorers were McNeill with eleven points and McNamara with ten.

WITTENBERG 51, DENISON 41

Again weakening in the final minutes, Denison suffered a 51 to 41 loss at the hands of Wittenberg. The Big Red led by four points at half-time and stayed even until the last few minutes.

Eight points each for McNeill and Myer were high for Denison.

OHIO NORTHERN 38, DENISON 36

After taking a lead midway through the second half that seemed to assure them the game, the Big Red succumbed to a closing rally by Ohio Northern to drop a 38 to 36 decision.

Myer tallied a dozen points to lead the losing cause.

WILMINGTON 40, DENISON 30

Fading in the second half for the fourth straight game, Denison lost to Wilmington 40 to 30 in the first of a two-game series.

McNeill was high for Denison with 11 points.

WILMINGTON 35, DENISON 27

Behind throughout this time, the Big Red lost its second straight game to Wilmington and its fifth contest in a row, 35 to 27, at Wilmington.

Four field goals by McNamara capped Denison scoring honors.

MT. UNION 41, DENISON 28

Catching the Big Red at the peak of its slump, Mt. Union swamped Denison 41 to 28 at Alliance. It was Denison's sixth consecutive defeat.

McNeill had ten counters for the Big Red but couldn't turn the tide of battle.

DENISON 54, KENYON 33

Piling up their highest score in more than three years, the Big Red snapped its string of defeats by drubbing Kenyon 54 to 33.

The Denison onslaught was led by Gordon with 11 points.

DENISON 44, OTTERBEIN 37

Winning their second straight game, the re-awakened Big Red downed Otterbein 44 to 37 at the Wigwam.

Rod Harrison, big sophomore center who joined Denison at the beginning of the second semester, struck his stride with 11 points.

CAPITAL 36, DENISON 22

With no one but Harrison able to score over two points, the Big Red tasted defeat at the hands of Capital 36 to 22.

Harrison prevented a complete rout by counting 16 times but couldn't single-handedly combat the Lutheran attack.

DENISON 44, OBERLIN 26

Defeating Oberlin 44 to 26, Denison won its fifth and last game of the year on the Yeomen's home court.

McNeill, Jordan and Harrison scored 11, 10 and 9 points respectively.

OHIO NORTHERN 38, DENISON 37

In a duplication of their earlier contest, Denison and Ohio Northern engaged in a close contest at Granville which the Polar Bears won 38 to 37 in the final minute of play.

Harrison and Siegel had 13 points each for Denison.

MUSKINGUM 45, DENISON 38

Unable to cope with a red hot performance by Cullison, Muskie forward, Denison lost its last home game to Muskingum 45 to 38.

Cullison scored 22 times, twice as often as Denison's leading scorer, Jordan.

CAPITAL 51, DENISON 29

Closing their campaign with their worst loss of the year, the Big Red went down to a 51 to 29 defeat at the hands of Capital.

Harrison scored almost half of Denison's points, getting 14.

Frosh Cage Team

Freshman Basketball

Freshman basketball was conducted under a newly-introduced plan in 1938-39, a squad of 12 men being selected by Coach Tom Rogers and carried throughout the season. Members of the Frosh squad were for the first time prohibited from playing on fraternity teams in the intramural leagues.

To gain game experience, the yearling team, in addition to weekly scrimmages with the varsity, played a full schedule of games with fraternity teams in preliminaries to varsity contests. The Frosh came through this schedule undefeated and displayed great power, overwhelmingly defeating each opponent.

1939 Baseball Team

Under the tutelage of "Tim" Temerario, Denison's 1939 baseball squad, a hustling team captained by Spence Meilstrup, started the season against Muskingum on April 28.

After a tight game, Muskingum came out on the long end of a 13-11 score, but prospects for the season were bright with returning lettermen Giffin, Perry and Snider handling the pitching assignments, Meilstrup and McNeil in the infield, and Rupp doing his share of the gardening.

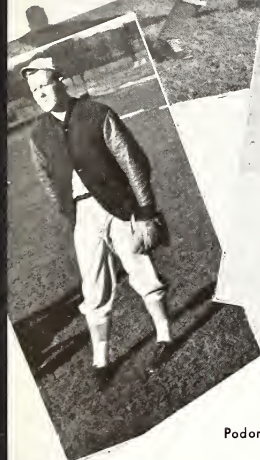

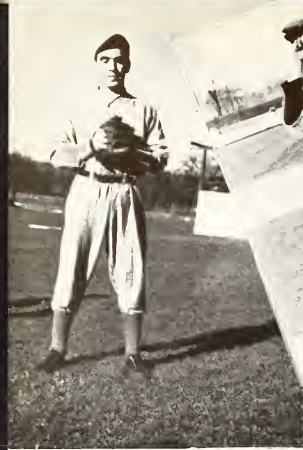

In the Muskingum game there were five starting sophomores: Price, Podorean and Burkhart in the outfield, Lahm at short, and Bill Brown catching. Tamblyn, a senior, rounded out the infield at third and seemed to have the fire needed for the "hot corner" position.

1939 Track Team

A large number of returning veterans plus a group of promising sophomores gave Coach W. J. Livingston a well balanced track team for the 1939 campaign, high point of which came when Denison played host to the Ohio Conference meet, May 26 and 27.

At press time the Big Red had vanquished Kenyon and Otterbein opening the season, dropped a dual tangle to Wooster, and triumphed over Capital.

The signal event, or events, of this year's season came when Al Barran, sophomore weight luminary, cracked Mike Gregory's 14 year old shot-put record, when in the first meet the first year man turned in a heave of 44 feet 4 inches. The following Saturday in the Wooster engagement Barran boosted his mark two inches to 44 feet 6 1/2 inches.

Only Captain Paul Welsh and Janet Shock, Denison's coed star and women's champion of Ohio, returned from the Denison golf team that won the Ohio Conference championship the year before, but Bob Randolph, star junior who did not compete in 1938, helped make up for the loss of Gene Durrant and Art Cash.

Tennis

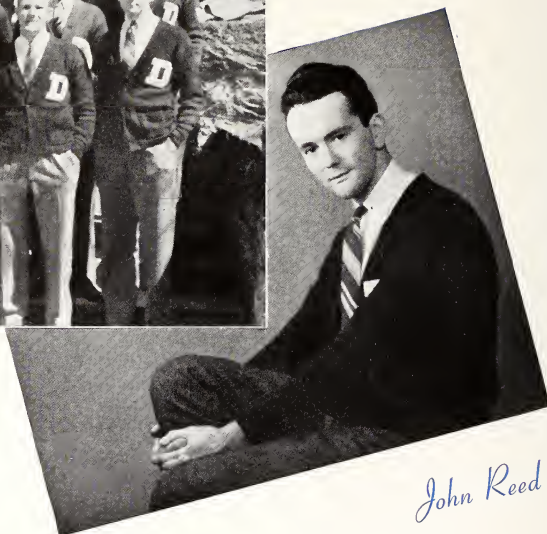

Although they lost the number one and two men from the 1938 team, the varsity tennis team began its 1939 season with four veterans in the lineup and a trio of sophomores bolstering it.

Bill Blade, Bob Harding, Bill Marquardt, and Don Smith were the experienced men on the squad and all handed singles assignments along with Stan Hanna, a sophomore. Blade and Harding played one doubles position and sophomores Chuck Jordan and Jim Burchard the other.

John Reed

The "D" Association, one of Denison's oldest and strongest organizations and maintainer of "D U" tradition, was led during the past year by John Reed.

During the course of the past year, the wearers of the "D" once again impressed upon the Frosh the necessity of wearing Freshman Caps. Along with Blue Key Fraternity the "D" Association helped last Fall, instill renewed fire into Denison's traditional Scrap Day.

The Association staged an honorary but effective initiation of "Tim" Temerario, football line coach and baseball coach, who has so easily become a real Denisonian among us and has so rapidly established an ever-widening circle of friendship here.

Gene LeRoy has been elected president of this disciplinary and athletic organization for the coming year.

SPEEDBALL CHAMPS: Sigma Alpha Epsilon.

FALL RELAY CHAMPS: Sigma Alpha Epsilon.

"A" LEAGUE CAGE CHAMPS: Phi Gamma Delta.

"B" LEAGUE CAGE CHAMPS: Lambda Chi Alpha.

SPRING SPORTS—1938

Beta Theta Pi gained possession of the all-intramural trophy in 1937-38, staving off a fast finish by the Sig Alphas as the S. A. E.'s dominated the spring scene.

The Sig Alphas won both softball and volleyball races and were second in golf. First place in golf went to the Sigs, while the Phi Deltas won the spring track meet and the Betas annexed the tennis championship.

Three second places were captured by the Kappa Sigs, who occupied the runner-up position in tennis, tied the Lambda Chis for second in volleyball, and lost the softball championship in a post-season playoff.

FALL 1938

FALL RELAYS

Repeating last year's victory, the Sig Alphas walked off with top honors in the fall relays. Second place went to the Phi Deltas, and the Betas and Phi Gams tied for third.

"A" LEAGUE BASKETBALL

Phi Gamma Delta's "A" league cage representatives romped off with first place, dethroning the Betas. Following the Fijis home were the Sigs, while the Betas were third.

SPEEDBALL

Sigma Alpha Epsilon won the intramural speedball championship, downing the 1937 champs, the Phi Gams, in a playoff after the regular season had ended a tie. The Kappa Sigs were third.

"B" LEAGUE BASKETBALL

Pacing the pack home in the "B" league basketball race were the Lambda Chis. The Betas and the Sig Alphas finished the season in a deadlock for second position.

SPRING 1939

WRESTLING

Kappa Sigma matmen nosed out the Sig Alphas for the team title in wrestling. Individual crowns went to three Kappa Sigs, Bob Schroeder, Bill Dean and Dave DeLong, and to Sig Alpha Jack Gibson, Wally Masteller, Sig; Frank Irwin, Beta; and Vilah Brooks, Beta Kappa.

SWIMMING

Phi Gams, Sig Alphas and Betas finished in that order in a close swimming race in which only three points separated first and third places. In winning, the Phi Gams defended the crown they won in 1938.

HANDBALL

Successfully defending the championship they won the year before, the Phi Delt handball team edged the Independents for first place in the loop. The Kappa Sigs finished in third place close behind the leaders.

PING PONG

Ping Pong, added to the intramural program for the first time in place of foul shooting, was won by Sigma Alpha Epsilon after a close race. Bill West and Bert Lutton carried the S. A. E. colors.

INDOOR TRACK MEET

Dethroning the Phi Deltas, winners for two straight seasons, the Sig Alphas won first place in the "indoor" track meet. The Phi Deltas came in second, followed by the Phi Gams.

INDIVIDUAL WRESTLING CHAMPS:

Front Row: Schroeder, Kappa Sigma; Masteller, Sigma Chi; DeLong, Kappa Sigma.

Back Row: Irwin, Beta Theta Pi; Brooks, Beta Kappa; Gibson, Sigma Alpha Epsilon; Dean, Kappa Sigma. TEAM CHAMPIONSHIP WON BY KAPPA SIGMA.

SWIMMING CHAMPS: Phi Gamma Delta.

PING PONG CHAMPS: Sigma Alpha Epsilon.

INDOOR TRACK CHAMPS: Sigma Alpha Epsilon.

Women's Athletic Association

With the offices of W.A.A. filled by Betty Scott, President; Dorothy Frazier, Vice-president; Jeanne Schaffer, Secretary; Betty Williams, Treasurer; and Kay Tice, Custodian; W.A.A. started the year off with a bang. It first was hostess to the freshmen who enjoyed a hay ride to the cabin for supper and entertainment by the board members afterwards. The freshmen in turn entertained the members with a skit at the January Association meeting.

To help make homecoming a success as well as to earn a little money we sold balloons at the football game in the fall.

Accepting an invitation from the Ohio State University Hockey Club, W.A.A. sent eleven girls to defeat State on their own field. Girls were also sent to participate in the Allegheny College winter carnival, to the sport day at Otterbein College, to Lake Erie College for a tennis tournament, and to Ohio Wesleyan for a riding meet.

A Gold-Diggers Prom was held on Registration day and met with such grand success that we plan to make it an annual affair.

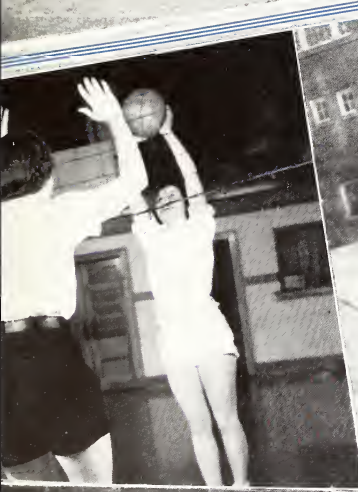

The annual Orchesis recital was held March 24—one of the finest ever produced. Original and effective costumes were featured as well as several original numbers.

Outing Board is sponsoring a Camp Leadership Course and hopes to provide every applicant with a counselor's position for the summer.

Among the programs featured at W.A.A. meetings were a "Pigskin Parade" talk and movie by Tommy Rogers, a preview of sports to come, and open forums and discussions on —?— foods and health, as well as the regular business meetings.

FALL SPORTS

Upperclassmen started off the hockey season with a bang by giving an exhibition game for those girls who had never played the game before. The result of the inter-class games favored the Seniors, our four year champions. Second place went to the Sophs, with the flashy Juniors bringing up the rear.

What an upset when our Homecoming Grads spilled the All-Denison Team 3-1. We hope we can do the same ten years hence.

1938's all Shepardson Hockey Team was composed of the following: Betty Taylor, Betty Cresson (deceased), Viola Kleindienst, Janet Egbert, Portia Miller, Rosemary Forsythe, Dorothy Mathchett, Elizabeth Cowgill, Mary Jane Clark, Dorothy Frazier, and Betty Boughner.

Archery was a very popular sport this Fall. The Seniors, again, won the inter-class meets. The other class standings were the same as those in Hockey.

Hot chocolate replaced the usual tea and cookies as refreshments after the finals of the Archery and Hockey seasons.

Kay Webb, Ruth Wheeler, and Marjorie Larwood were chosen to make up the All-Shepardson Archery team.

Under able class managers the Dad's Day Inter-class Riding Meet came through most successfully with the Sophs topping the Frosh and Juniors respectively.

Jenny June Gates, Jayne Pearse, Virginia Straith, and Mary Ann Sears scored prominently in the meet, so were chosen to make up the Shepardson Riding team. The Sophs turned out to be a particularly talented group and featured a very clever jumping drill, something new to Denison riding addicts.

Another new feature this fall were the Inter-dormitory swimming meets. Beaver Hall holds the 1938 title after tripping all comers.

Intramural competition was very keen this year. The undefeated Juniors were capsized by the Freshmen who won all their meets.

The All-Shepardson swimming team was composed of Barbara Arnold, Virginia Ireland, Eleanor Bjelke, Martha Collord, Helen Evans, and Mary Gardiner.

We were all very surprised at the outcome of the Hall Tennis Tournament in which twenty-nine girls participated. Our three year champ Sue Palmer was defeated by Viola Kleindienst, one of our promising Freshmen.

WINTER SPORTS

The Winter season witnessed its first inter-dorm tournament for volleyball with the Burton Hall girls walking away with the honors. The Seniors took first place in the inter-class tournament; the Sophomores, second place; the Juniors, third place and the Freshmen brought up the rear. Volleyball was a very popular sport having around 70 girls participating during the season.

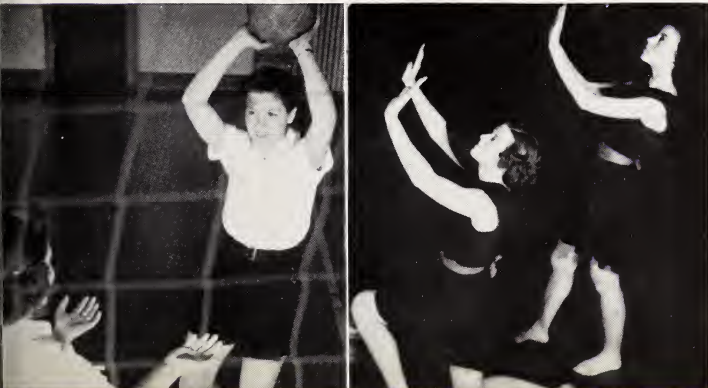

The Seniors and Juniors tied for first place in the basketball class games; a clever way to keep the two teams on speaking terms. The Sophomores and Freshmen also tied for third place. An Uphill Sem girls team played a team from the Downhill Sem before the annual basketball game between the waiters of the respective Sems. Mrs. Wells presented the winners, the Colwell girls, with a small trophy.

Badminton also claimed a very successful season, especially for the Sophomores who won the inter-class tournament. The Seniors, however, were right up there in second place. The season was closed with a supper sponsored by W.A.A. in the gym for the participants in the basketball and badminton games.

SPRING SPORTS

The Juniors took first place in the tennis class competition followed by the Freshmen, Sophomores and Seniors in order. As the players were well matched in ability the games proved extremely interesting. On Mother's Day week-end an exhibition set of mixed doubles and singles was played.

Golf attracted 26 girls to the course this season. Class competition matches resulted in a victory for the Sophomores. Second place went to the Juniors and third place to the Freshmen.

Eleanor Eschman received 100 W.A.A. points and Carolyn Glass 50 points in Archery for winning the school championship and runner-up. The Inter-Collegiate Tournament took place from May 12 to May 19 but was not a huge success due to heavy rains which prevented the girls from shooting.

Baseball seems to be a very popular Spring sport every year. An upper-class supper was held on May 11 after one of the practices but again the girls were forced to cut short their activities because of rain. In spite of the Sophomore class spirit, inspired by their theme song "You Made Me What I Am Today" the Freshmen surprised us all and won the inter-class tournament.

May 19th the Freshmen and Sophomores ran against Juniors and Seniors in a track meet. The underclassmen won by a score of 120 to 80. Unusual events including bicycle riding, hoop rolling and running were held on May 25th. All the participants really enjoyed themselves and much fun was had by all.

Having a college record outstanding among all coeds, Janet Shock is Denison's number one coed. Her fame is national, for last year she won the title of Women's Golf Champion of Ohio as well as playing inter-collegiate golf for Denison. Janet is the first woman to take active part in Denison's intercollegiate athletic program, and also the first female member of the "D" Association, possessing the enviable "D" sweater.

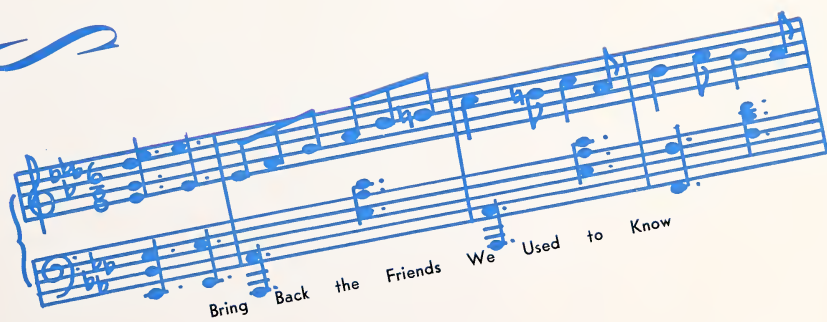

This season Janet is again representing Denison on the Varsity Golf squad and the future looks bright for both her and the University.

At the bottom Janet is shown with Eva Shorb, Wooster, Ohio's other golfing coed.

COLLEGE DAYS CHORUS

Bring back the days of the golden past
At dear old Denison,
The days we never knew a care or strife,
Rah! Rah! Rah!
Bring back the friends we used to know
With all their college fun,
How we long again for dear old Denison.

COLLEGE DAYS CHORUS

Although W. H. Ellor attended Denison but one year, he established for himself a spot on the class roll of 1911, membership in Beta Theta Pi, and a remembered niche in Denison music. His single year here found him dividing his time between the football team and the glee club, and imbibing the traditional Denison spirit, enough of which has carried down through the years that four years ago he sent to Denison a daughter, Helen, who leaves us with the class of '39 this spring.

A MINOR DITTY

Catch a freshman by the hair,
Cram him full of Latin,
Pepper him with Algebra,
Attic salt put that in.

Chorus

Then he'll make a Sophomore,
Tender, cute and curly,
Filled with Cupid's loving lore,
Leave him to his girly.
Differential Calculus,
Sauced with syllogisms,
Here an "animalculus,"
There some cones and prisms.

Chorus

These the Juniors feed upon,
Wisdom slowly gaining,
'Till the Senior silk they don,
Dignity attaining.

A MINOR DITTY

W. F. "Billy" Chamberlain enriched Denison's musical lore with his frivolous ballad that was the delight of students of another day. Versatility was the keynote of Chamberlain's college career as he unleashed his talents to benefit the

football team and also campus publications. An insurance company, William F. Chamberlain, Inc., claims his services as president. A member of Phi Gamma Delta, "Billy" graduated with the class of 1893.

PROM

May Day 1938

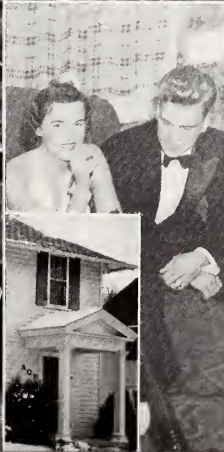

One of Denison's numerous cherished traditions, one dating back a century, is May Day, held annually on the week-end of Mother's Day. May Day as Old England knew it, complete with folk dancing, Robin Hood, Friar Tuck, the Crier, the Maypole, etc., lives again in the ideal setting of the South Plaza. Mortar Board, Senior Women's Honorary, observes its recognition services on this occasion.

Mary Spring, Delta Delta Delta, shown approaching her throne in the upper left picture, and being crowned, in the picture below, was Queen of the May last year. In the lower left is a group of seniors who don cap and gown for the ceremonies. A Mortar Board senior is shown in the upper right, tapping a new member, and in the lower right is a section of the regal procession preceding the Queen.

Mostly About Denison Men

Kappa Sig's Welcome Homecoming . . . The Phi Delts follow suit . . . but the Beta Kappa jail wins top honors in the competition . . . while the sign on the Sig's Sparky says "Marietta needs cleaning too." . . . They were all tough hombres at Kappa Sig prison dance . . . Scrap day finds the "Rock Pile" . . . McIntyre and Athey didn't mind the photographer . . . but he shouldn't have interrupted Downs . . . and only a sound track could tell this tale as Smith, Siegrist, and Restrict produce jam, (not the kind mother made).

The Adytum Goes to a Party

In a poll conducted by The Adytum, Denison students voted Sally Rea, Delta Gamma Sophomore and Bill Geneser, Phi Gamma Delta junior, their "Most Ideal Couple."

As you see, nothing was sacred when a photographer tagged along with our "M. I. C." letting The Adytum show the uninitiated just how Denison parties are "gone to."

with Denison's Ideal Couple

It's a half a day proposition from the time Sally washes her hair in No. 1, until,—twelve hours later—she enters all the details in her diary. But for Bill it's maybe half that time from shave in No. 3 to sheets in No. 15.

MODERN GAS EQUIPMENT
MAKES YOUR HOME REALLY RUN ITSELF

The swing to gas—the efficient, “all purpose fuel”—for the four big home jobs is growing by leaps and bounds. Gas will “out perform” all types of fuel for Refrigeration, Water Heating, Cooking, and House Heating.

The Gas Company

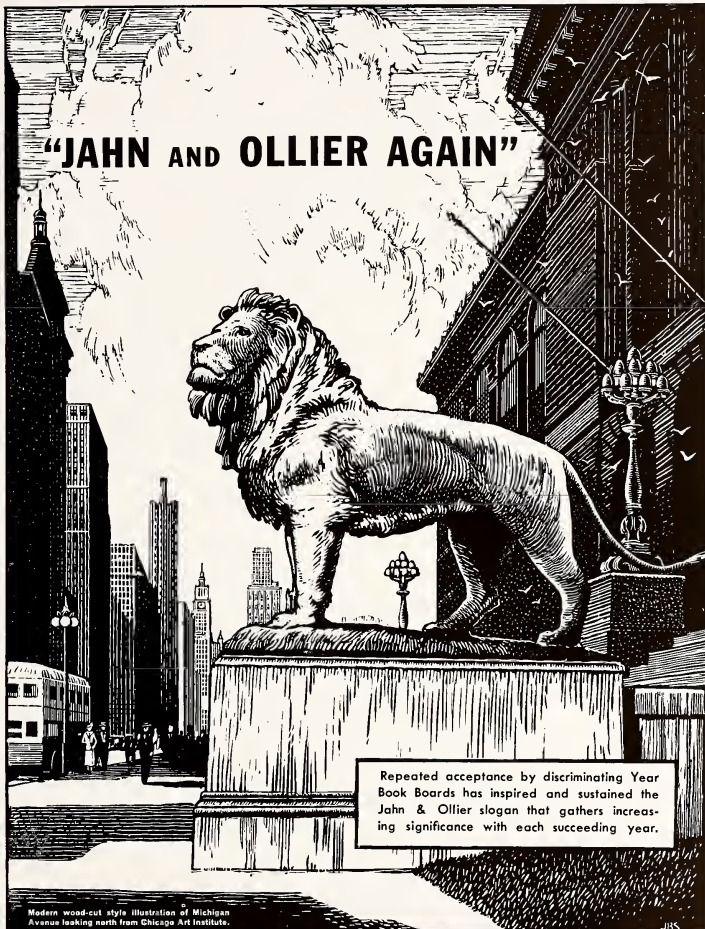

FOR THE PRICE OF ONE CIGARETTE

MAY I BORROW SOME ELECTRICITY FOR BREAKFAST?

AFTER the first flabbergasted moment, you would assure your slightly unconventional neighbor who wished to borrow Electricity that "it is nothing at all," as the French express it, and permit her to borrow all the juice she could possibly need to prepare her family's breakfast, knowing full well that its cost would be negligible.

This low cost is true of ELECTricity in general . . . while your neighbor cannot borrow ELECTricity—as she would a cup of sugar—to boil the morning eggs and make the morning toast or coffee, actually the cost of such a loan would be very little more than the cost of a cigarette. We illustrate this fantastic thought to remind you how cheap your ELECTric Service really is.
